

PROSPER

POST PANDEMIC EMPOWERMENT PROGRAMME

NEWSLETTER FEBRUARY 2024

WHAT IS PROSPER?

PROSPER Project has been formed as a strategic partnership to design, develop and implement a new training approach which empowers SMEs managers to reimagine their challenging role as remote managers and ensure remote employees balance between digital productivity, wellbeing and inclusion.

OUR OBJECTIVES

- Developing a new training for SMEs managers, Team leaders and HR staff to update their leadership and management skills for remote as well as hybrid settings.
- Fulfilling the specific training needs of SMEs, while incorporating wider aspects of digitalization, digital inclusion and digital wellbeing.
- Adapting the Vocational Education and Training (VET) to meet labour market needs due to the digital transformation fueled by the COVID-19 pandemic repercussions.
- Altogether, adapting vocational education and training to the emerging labour market needs.

PROSPER

POST PANDEMIC EMPOWERMENT PROGRAMME

PROGRESS SO FAR

Meetings

The PROSPER consortium came together in Athens on the 18th and 19th of September 2023 to discuss about the project's progress regarding the Business Case, the Online Training as well as the Empowerment Program.

Business Case for Healthy Hybrid Working in European SMEs

The project has produced a concrete Business Case for Healthy Hybrid Working based on the collection of best practices and interviews made by partners. The Business Case can be found on the project website in all partner languages.

Online Training Course

The consortium has developed a compact Online Training Course for SME managers and relevant staff that coordinate hybrid teams. The course can be found on the project website in all partner languages.

CURRENT STEPS

Empowerment Program

Based on the previous results, an **Empowerment Program** is being developed to offer a train-the-trainer opportunity and multiply the results through in-person trainings for SMEs managers, team leaders, and HR staff.

Pilot Trainings

Right now the project is recruiting participants and starting the implementations of the Online Course and the Empowerment Program.
