

# PROSPER

POST PANDEMIC EMPOWERMENT PROGRAMME

## NEWSLETTER MAY 2024

**After 2 years of dedicated efforts, the PROSPER project has fulfilled its purpose in redefining the future of hybrid work.**

### WHAT IS PROSPER?

PROSPER Project has been formed as a strategic partnership to design, develop and implement a new training approach which empowers SMEs managers to reimagine their challenging role as remote managers and ensure remote employees balance between digital productivity, wellbeing and inclusion.

### OUR OBJECTIVES

- Developing a new training for SMEs managers, Team leaders and HR staff to update their leadership and management skills for remote as well as hybrid settings.
- Fulfilling the specific training needs of SMEs, while incorporating wider aspects of digitalization, digital inclusion and digital wellbeing.
- Adapting the Vocational Education and Training (VET) to meet labour market needs due to the digital transformation fueled by the COVID-19 pandemic repercussions.
- Altogether, adapting vocational education and training to the emerging labour market needs.

POST PANDEMIC EMPOWERMENT PROGRAMME

## Meetings

The PROSPER consortium had their last transnational hybrid meeting on April 2024, discussing about the project's final steps regarding finalizing the Business Case, the Online Training as well as the Empowerment Program.

## Business Case for Healthy Hybrid Working in European SMEs

The project has produced a concrete Business Case for Healthy Hybrid Working based on the collection of best practices and interviews made by partners. The **Business Case** can be found on the project website in all partner languages.

## Online Training Course

The consortium has developed a compact **Online Training Course** for SME managers and relevant staff that coordinate hybrid teams. The course can be found on the project platform in all partner languages.

## Empowerment Program

Based on the previous results, an **Empowerment Program** has been developed to offer a train-the-trainer opportunity and multiply the results through in-person trainings for SMEs managers, team leaders, and HR staff. The program can be found on our project website.

## Pilot Trainings

The partners have conducted training session with professionals, involving them with the Online Course and the Empowerment Program.

## Multiplier Events

As the project comes to an end, all partners organized Multiplier Events in their respective countries in order to disseminate the project results with interested audiences.
